

## **SelecTech Flooring™ SelectAgain™ Take-Back Program**

**January 1, 2012**

**SelecTech's proprietary manufacturing processes allow it to take back product at the end of its useful life and/or from cutting waste and reuse it in the production of new products.**

### **Return for Reuse:**

In the future, if tiles are removed during a renovation or at the end of their useful life, they can be shipped back to a destination designated by SelecTech. We'll also take back cutting scraps from a new installation.

Return shipments are at customer's expense

Returns will receive a credit which will be applied against future purchases of new products

- o Returned ESD products will be purchased at \$0.20 per pound.
- o Returned standard products will be purchased at \$0.10/lb

### **Criteria for Return:**

Returned product must be clean, dry, and free of all debris

Packaging for Shipment:

- o Tiles may be neatly stacked on 40x48 pallets and tightly stretch-wrapped to ensure integrity in shipment.
- o Alternatively, tiles may be loaded into double walled Gaylord boxes and shipped on skids
- o Returned product may not be double stacked.
- o Credits will be based on the net weight of complying product returned.
  - .1 Products shipped on pallets will be net of 40 lbs/pallet
  - .2 Products shipped in gaylords will be net of 75 lbs/box
  - .3 o Deductions will be taken for noncomplying shipments

### **Reuse Return Authorizatoin**
